## ABOUT MYSELF

---

Lapo is a promising young Cinematographer and Filmmaker graduated from the Toronto Film School. Lapo has a burning passion for cinema, he loves studying the classics to learn new techniques and implement them in his works. He's a creative mind that can think and see outside the box, often providing interesting and unusual solutions to any problems that may arise on set. On top of that, he's methodical in his approach, and his eye for detail will not leave any imperfections slip into his frames. His biggest inspirations are Robby Müller and Vittorio Storaro. He's worked already on numerous student projects, and dreams to breakout as a professional Cinematographer.
